Dear Tax Payer:

Please be advised, due to circumstances beyond our control, effective December 31, 2021, Sales Tax OnLine will no longer service any Sales Tax account for Washington Parish. Therefore, in order to avoid a lapse in the filing of your Sales & Use Tax returns, it is necessary for you to immediately register your account(s) with *Parish e-file*.

Please note, nothing will change other than the website where you file your returns. Your Sales & Use Tax account number will remain the same. **You will NOT be issued a new account number** when you register with Parish e-file.

Please register at Parish e-file using your *current* Sales & Use Tax account number at the following link:

<https://parishe-file.revenue.louisiana.gov/login/QuickAcct.aspx>

**For ACH Credit filers, our Parish e-file originator ID# is 1726001461.**

We apologize in advance for any inconvenience this may cause you or your staff. As always, should you have any questions or require additional information, please feel free to contact our office at 985-839-3434.

Thanks  
Jamie
